

ANINDYA SARKAR

**SERVICE COORDINATOR – BROADBAND NETWORK OPERATIONS | ISP |
FTTX | GPON | NETWORK OPERATIONS**

anindya23sarkar@gmail.com | +91-9831874719 | [linkedin.com/in/anindya23sarkar](https://www.linkedin.com/in/anindya23sarkar) | Kolkata, India

PROFESSIONAL SUMMARY

Network Operations Professional with 15+ years of experience in ISP and Broadband Operations, specializing in GPON/FTTX networks, service delivery, field operations, network troubleshooting, outage management, SLA adherence, and team leadership. Proven track record of managing broadband network operations, coordinating with NOC teams, leading field technicians, ensuring high network availability, and delivering customer-focused solutions.

Experienced in Cisco Layer-2/Layer-3 switching, VLAN configuration, GPON infrastructure, incident management, preventive maintenance, and large-scale outage restoration. Successfully managed network operations supporting thousands of broadband customers while maintaining service quality and operational efficiency.

CORE COMPETENCIES

Broadband & Network Operations: Broadband Network Operations · GPON / FTTX Networks · Service Delivery · Management · Network Monitoring · Capacity Planning · Preventive Maintenance · Network Availability Management

Routing, Switching & IP Networking: Cisco Layer-2 & Layer-3 Switching · VLAN Configuration · TCP/IP Networking · Routing & Switching · LAN/WAN Technologies · IP Addressing · Gateway & LACP Configuration

Fiber & FTTX: GPON/FTTX Deployment · OLT/ONU Configuration · Optical Power Distribution & Troubleshooting

Monitoring & Diagnostics: PRTG · Wireshark · Root Cause Analysis · Network Performance Monitoring

Incident & Service Management: SLA & MTTR Management · Incident Management · Network Outage Recovery · Root Cause Analysis · Escalation Management · Service Restoration

Leadership & Operations: Team Supervision (12 technicians) · Field Operations Management · Vendor Management · NOC Coordination · Technician Training & Development · Cross-Functional Collaboration

PROFESSIONAL EXPERIENCE

Wish Net Private Limited | Aug 2011 – Present

Service Coordinator *Dec 2022 – Present*

- Manage broadband service operations across South and Central Kolkata.
- Coordinate between customers, field technicians, and technical teams for service delivery and issue resolution.
- Monitor service ticket flow and escalated incidents to ensure SLA compliance.
- Configure and troubleshoot Cisco, Optilink, DCN, Digisol, TP-Link, Zyxel, and GPON network devices.
- Configure VLANs, gateways, LACP, OLTs, and ONUs/ONTs.
- Lead two teams of technicians and coordinators.
- Maintain network health across multiple service and bandwidth distribution hubs.
- Monitor network performance and minimize service downtime.
- Support onboarding and technical training of new employees.

Service Incharge *May 2016 – Nov 2022*

- Managed broadband operations within assigned service zones.
- Led a team of 10+ field technicians supporting broadband and enterprise customers.
- Planned and monitored installation, maintenance, and fault resolution activities.
- Ensured compliance with SLA targets and service delivery commitments.
- Coordinated with NOC teams for major incidents and network outages.
- Supervised deployment and troubleshooting of fiber infrastructure, routers, and switches.
- Delivered technical guidance, operational support, and training to field teams.

Tech Support Executive (Senior → Junior → Associate) Aug 2011 – Apr 2016

- Delivered Level 1 and Level 2 technical support for broadband, LAN/WAN, and enterprise connectivity environments.
- Configure and troubleshoot Wi-Fi devices, VLANs, TCP/IP, DNS, DHCP, and Layer-2/Layer-3 networking infrastructure.
- Performed network monitoring, fault analysis, and root cause investigations using tools such as PRTG and Wireshark.
- Supported field operations, preventive maintenance, SLA tracking, and service delivery activities for residential and enterprise broadband customers.
- Maintained technical documentation, ticketing records, SOPs, and knowledge-base articles to improve operational efficiency and service quality.

EDUCATION

Bachelor of Science – Biological Sciences

University of Calcutta – 2005 – 2008

PROFESSIONAL TRAINING

Networking & Infrastructure

- Advanced Diploma in Networking Technology
- Cisco Networking Academy – Networking Essentials
- Cisco Networking Academy – CCNA: Introduction to Networks
- Cisco Networking Academy – CCNA: Switching, Routing and Wireless Essentials
- Cisco Networking Academy – CCNA: Enterprise Networking, Security & Automation
- Google / Coursera – Google IT Support Professional Certificate
- Zendesk – Customer Service Professional Certificate
- IBM – Information Technology Fundamentals

Security

- Fortinet – NSE1 – Valid to Sep 2027
- Fortinet – NSE2 – Valid to Sep 2027
- Cisco Networking Academy – CyberOps Associate
- Cisco Networking Academy – Cybersecurity Essentials

TECHNICAL SKILLS

Networking: Routing, Switching, TCP/IP, VLANs, LAN/WAN, GPON, FTTX, OLT, ONU, ONT

Vendors: Cisco, Optilink, DCN, Digisol, TP-Link, Zyxel, Allied

Monitoring & Troubleshooting: PRTG, Wireshark, Network Fault Isolation, Incident Management

Operations: SLA Management, MTTR Reduction, Service Delivery, NOC Coordination, Vendor Management

LANGUAGES & AVAILABILITY

Languages: Bengali (Native) · English · Hindi
